Body Measurements

All measurements provided in the size charts are body measurements. Actual finished garment measurements may be bigger than the size chart to allow for ease.

Manufacturer's Variation

Our gowns may have a manufacturer's variation of +/- 1/2" in body or length measurements.

DELIVERY TIME/POLICY ON SHIP DATES

If the flower girl order is placed with bridal or bridesmaids orders, the ship date will be the same as the bridal or bridesmaids orders. For flower girl-only orders, Jasmine offers two different ship dates.

<u>Order Type</u>	<u>Delivery Time</u>	<u>Cancellation/Change Period</u>	<u>Additional Charge</u>
Regular	5 Weeks	5 Calendar Days	No Charge
Rush	3 Weeks	24 Hours	

IMPORTANT NOTES

Fabric Matching

If the flower girl dress fabric must be identical to a bridal or bridesmaid dress fabric, it should be placed with the bridal gown or bridesmaid dress order. This is the only way Jasmine can guarantee the dresses are made from the same dye-lot of fabric. When flower girl orders are placed with bridal or bridesmaid orders, ship dates will then follow that bridal or bridesmaid order.

Ordering

Stores must carry a complete stock order of either B2, Belsoie, Jasmine Collection, or Jasmine Couture in order to purchase any flower girl dress.

Color Swatches

There are no swatch cards specifically for flower girl dresses. Please refer to the B2, Belsoie, Jasmine Collection, or Jasmine Couture swatch cards when ordering. Stores can always call Jasmine to obtain free swatches.

Ordering Material

Extra material is available for flower girl dresses. Please refer to the Material Information and Pricing sections on Page 16 for material pricing information and color availability.
