New Size Chart Applicable to S17 Styles Only

The above size charts only apply to S17 styles which have style numbers starting with P19. All older styles are made according to the size charts appearing on the next page. To differentiate, the new size chart should be used with a N in front of the size. If you have a wedding party mixing S17 and older styles, please use separate size charts to size the girls.

Body Measurements

All measurements provided in the size charts are body measurements. Actual finished garment measurements will be bigger than the size chart to allow for ease. **The finished garment will have a 1" ease in the Bust and Waist plus Manufacturer's Variation.**

Manufacturer's Variation

Our gowns may have a manufacturer's variation of +/-1/2 inch in body or length measurements.

Sizes 30+

All styles are available above a size 30. Refer to "Special Services" on Page 8 for details and pricing.
